 - (2) if no option is in effect, a 50% survivor annuity computed as though the member had retired the day before his death. If the member had not attained age 62 when he died, the benefit shall be calculated as if the member were age 62.
- (c) A refund is payable to the estate of the deceased member if there is no surviving spouse or designated beneficiary.

Additional Information Regarding GASB Disclosure

Current Notes:

1. The City continues to pursue a conservative policy regarding contributions to ensure that all benefits are properly funded.
2. Effective July 1, 2004, the board adopted a funding policy to contribute at least 40% of the real cost (entry age cost) but no more than a) the prior year percent of payroll plus 2% or b) 120% of the prior year percent of payroll, if more.
3. Effective July 1, 2007, liabilities are calculated for GASB and funding purposes under the Entry Age Normal funding method.
4. Effective July 1, 2007, asset gains and losses are smoothed over 10 years.
5. As a result of the July 1, 2012 experience study, the following assumption revisions were incorporated:
 - Changing mortality for Board of Education
 - Changing ultimate withdrawal rates for Division C
 - Changing disability rates for Divisions A, B, and G
 - Changing disability mortality for all groups
 - Changing G1 to G2 transfer rate from 80% to 90%
 - Changing investment return from 8.0% to 7.375%

For a summary of assumptions in affect prior to and after July 1, 2012, see the City of Knoxville Valuation and Report as of July 1, 2012.

6. Effective July 1, 2013, the NPO for GASB purposes is calculated for the plan as a whole.
7. Effective July 1, 2013, Division H provisions have been incorporated into the valuation. All new hires participant in Division H effective January 1, 2013. The investment return assumption for Division H is 5.5%.

Historical Notes:

1. The City, as authorized by the City Charter, implemented the City of Knoxville Pension System Supplemental Retirement Plan (G1) effective July 1, 1997. G1 is a defined contribution plan available for general government employees. Employee contributions are 3%. Employer contributions are 1.5% (matching). Employees that participate in the defined contribution plan make 6% employee contributions, 3% to the defined contribution plan and 3% to the defined benefit plan. General Government employees that do not participate in the defined contribution plan are required to make a 6% contribution to the defined benefit plan (G2) for which they receive an enhanced defined benefit plan benefit.
2. Effective July 1, 1999, the Knoxville Utilities Board (KUB) split-off into its own plan and is no longer part of the City of Knoxville Pension System. Historical information in this disclosure does reflect KUB, to be consistent with prior disclosures. KUB will not be included in current or future year disclosures for the Pension System.
3. Effective January 6, 2001, Plan F liabilities are combined with Division C. The schedule of funding progress has been broken down by employee group beginning July 1, 2001 to show the specific impact on the unformed bodies (Division C/Plan F).
